

## **2026 AGM**

### **GMBCU Community Prize Draw 2025**

#### **Introduction**

The GMBCU Supervisor has reviewed the administration processes associated with operating the 2025 Credit Union Prize Draw. The monthly figures have also been checked and the automated procedure for drawing winners has been verified.

Ticket sales for 2025 totalled £14,314 compared to sales of £14,726 in 2024. This was a 2.7% decrease in annual ticket sales, possibly indicating the growing financial pressure on our members.

We refocused our community Prize Draw in April 2021 so the winning member received 50% of the total prize money and then donated the other half to their favoured charity. To date, GMBCU members have participated enthusiastically in providing support to 59 charities with total charitable donations now over £37,000.

We may not have the funds of the National Lottery, however our community Prize Draw is providing GMB members with a great deal of enjoyment and we have received wonderful feedback from the worthy charities, often many smaller ones, who have been nominated by members.

Times are hard for the charity sector and members alike, however participating in our member Prize Draw has provided some fun for our community giving members, and a chance to support their favoured charity. A full record of all Prize Draw winners is maintained in the GMBCU office and is available for members to view at any time online.

Remember you have got to be in it to win it!. If you are interested in supporting your favourite charity please go to our [website](#) for more information.
